

Rules

How to play the game:

1. Deal 5 cards to each player!
2. Sort the remaining cards into a deck.
3. If you have received four cards of the same suit, you can discard them.
4. The starting player chooses which of the cards in their hand they intend to collect and asks one of the other players if they have a card of the same suit. For example: "Do you have a  card?"
5. If the answer is yes, then that card should be given to them, and the next person takes their turn. If the answer is no, the first player draws a card from the deck and the person next to them takes their turn, and so on.

6. If someone has four cards of the same suit, they lay them face up on the table in front of them.
7. If someone runs out of cards, they draw five new cards from the deck (or as many cards as are left in the deck). The game ends when the deck is exhausted, and the round has been completed.

The player who has collected the most Smudge stories wins the game.

In the storybook that comes with the game, you can draw what happened to you during the day and tell your family a 'bedtime story'.
